Dear Mr. Louise Preston, Chairman of Living Islands Movement,

Due to the current issue of Integrated Waste Management Facilities and its public consultation which introduced by HKSAR government, that is also a key consideration by residents from islands district of HK. The Hong Kong Islands District Association (HKIDA) is now taking the lead to organize a mission study trip to Singapore during 29 May – 1 June 2012.

We hereby invite you to join this trip as a starter to explore the history and current situation of what Singapore has been worked through in Waste Management in both positive and negative way. If you are not available to join, we would like to request your designated representative to participate this trip. HKIDA hopes to have your on-going participation and support to the series of workshops in the islands district afterwards.

Enclosed with more information about the “Waste Managements in Singapore” Mission Study Trip for your information. May you have any inquiry, please feel free to contact the office at 2533-5310 or 6486 6791.

Best regards

(Mr. Ng Siu Yuen, The Secretary-General)
