

## UNIVERSAL POLITICS (including Hong Kong) GRAPHICALLY EXPLAINED

Finally, somebody explained the politics of Government to me  
Right or Left, Conservative or Labour, Democrat or DAB rubber stamper, doesn't matter

It is really all about **Up** or **Down** in politics.

So you can see, when top level people look down, they see only Shit-heads

When the bottom level plebs look up, they see only Assholes.

You will never see another flow chart that describes universal Govt politics so clearly!

### Electing Hong Kong's Chief Executive

<http://multimedia.scmp.com/hong-kong-election-2017/>

The government's proposal for the 2017 Chief Executive election *promises* "one man, one vote" but critics say it is not "true universal suffrage". SCMP explains just how the proposal would work

### The reality:

Hong Kong's brown-nosing Commie dominated Election Committee is 1200 strong. Hong Kong has nigh 3.5 million registered voters represented by 35 elected Legco members, who have just 35 of the 1200 Election Committee votes.

[http://www.huffingtonpost.com/gladys-li/rotten-corrupt-hong-kong\\_b\\_6051748.html](http://www.huffingtonpost.com/gladys-li/rotten-corrupt-hong-kong_b_6051748.html)

The Agriculture and Fisheries Sector, led by a DAB lawmaker, has only **159** electors but controls 61 Election Committee votes, plus the DAB lawmaker's, whilst 3,466,201 registered electors are represented by just 35 seats on that sham Committee.

[http://www.eac.gov.hk/pdf/ecse/en/2011ecse/guidelines/2011ecse\\_Appendix\\_b.pdf](http://www.eac.gov.hk/pdf/ecse/en/2011ecse/guidelines/2011ecse_Appendix_b.pdf)

Whilst vested interests with unethical lawmakers backing an unrepresentative Govt rule, our health and environmental policies suffer most, as do our children.

**Down with the Commie bastards!**
