

Clear the Air's view on meetings with the non-negotiable HK Airport Authority

<http://www.hongkongairport.com/eng/business/airport-authority/introduction.html>

HKAA quote: "As a responsible corporate citizen, the HKAA initiates and takes part in a wide range of programmes and activities that promotes **environmentally friendly practices**, people development and community betterment"

Welcome to our offices shown below for pointless discussion, we need to tick the box on the EIA that we have engaged the Green Groups

**NOT
NEGOTIABLE**
